Handwriting Mat

Lowercase

A large lowercase letter 'k' is shown on a set of three horizontal lines (top dashed, middle dashed, bottom solid). Red arrows indicate the stroke order: a vertical line down from the top dashed line to the bottom solid line, then a curved line starting from the middle dashed line, going up to the top dashed line, then down and curving to the right to the bottom solid line.

A large lowercase letter 'l' is shown on a set of three horizontal lines. A red arrow indicates a single vertical stroke starting from the top dashed line and going down to the bottom solid line.

A large lowercase letter 'm' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a vertical line down from the top dashed line to the bottom solid line, then a hump starting from the middle dashed line, going up to the top dashed line and down to the bottom solid line, then another hump starting from the middle dashed line, going up to the top dashed line and down to the bottom solid line.

A large lowercase letter 'n' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a vertical line down from the top dashed line to the bottom solid line, then a hump starting from the middle dashed line, going up to the top dashed line and down to the bottom solid line.

A large lowercase letter 'o' is shown on a set of three horizontal lines. Red arrows indicate a single circular stroke starting from the top dashed line, going all the way around to the bottom solid line.

Top to bottom, up to the middle and round, go down and out with a flick.

Start at the top, down and curl.

Down, up and over, up and over.

Down, up and over.

Start at the top, all the way round.

A large lowercase letter 'p' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a vertical line down from the middle dashed line to the bottom solid line, then a circular stroke starting from the middle dashed line, going up to the top dashed line, around, and down to the bottom solid line.

A large lowercase letter 'q' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a circular stroke starting from the middle dashed line, going all the way around to the bottom solid line, then a vertical line down from the middle dashed line to the bottom solid line, ending with a flick to the right.

A large lowercase letter 'r' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a vertical line down from the middle dashed line to the bottom solid line, then a curved line starting from the middle dashed line, going up to the top dashed line and over to the right to the bottom solid line.

A large lowercase letter 's' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a curved line starting from the middle dashed line, going around to the bottom solid line, across, and around again to the middle dashed line.

A large lowercase letter 't' is shown on a set of three horizontal lines. Red arrows indicate the stroke order: a vertical line down from the top dashed line to the bottom solid line, then a horizontal line across from the middle dashed line to the right, and a small vertical line down from the horizontal line to the bottom solid line.

Start at the top, down, up and around.

All the way round, up and down with a flick.

Down, up and start to go over.

Around, across and around again.

Start at the top, down and curl, and cross it.

Handwriting Mat

Lowercase

Down and around,
up and down.

Down and up.

Down up, down up.

Down the slide, start back
at the top and cross it.

Down and around,
up and down with a
curly tail.

Across the top, down
through the middle
and across the bottom.

Handwriting Mat

Uppercase

Start at the top, down to the left, back up, down to the right, a line across the middle.

Start at the top, down and up and around to the middle and around to the bottom.

Start at the top, half way round.

Start at the top, down, up and around to the bottom.

Start at the top, down, line across to the right at the top, middle and bottom.

Start at the top, down, line across to the right at the top and middle.

Start at the top, half way round, short line left, short line right.

Start at the top, bottom, leave a space and repeat, join together with a line cross the middle.

A short line across the top, back to the middle, down and a short line across the bottom.

Start at the top, down and curl to the left, across the top.

Handwriting Mat

Uppercase

Start at the top, down, up to the middle, kick up and across to the right, middle, kick down and across to the right.

Start at the top, down and across to the right.

Start at the top, down, up and half way down to the right, up to the right and down.

Start at the top, down, up and down to the right, then up.

Start at the top, all the way round.

Start at the top, down and up and around to the middle.

Start at the top, all the way round and a small line across the bottom.

Start at the top, down and up and around to the middle, kick down and across to the right.

Over the top, across the middle and back.

Start at the top, down and across the top.

Handwriting Mat

Uppercase

Start at the top, then go down and around.

Start at the top, down and across, up across to the right.

Start at the top, down and across, up across to the right and repeat.

Start at the top, down the slide, start back at the top and cross it.

Start at the top, down and across to the middle, up and across to the right, back down to the middle and a straight down.

Start at the top, across the top, down through the middle and across the bottom.
