## FAQ

### CAN I CHARGE THE BATTERIES THROUGH THE LIGHT?

No. The lantern will not charge the AA batteries.

### CAN I STORE THE EDISON MINI LANTERN OUTSIDE?

This product is not meant to be stored outside for long periods of time. Extended exposure to wet conditions may cause rust and unnecessary wear and tear. We recommend storing your lantern indoors after use to help it last as long as possible.

## WARNING

Avoid shining light directly into eyes. This product is not intended for use by children.
