

# Exec 40™ BLACK

VARIDESK.com

If you are taller, the world can seem to be a little too little. That's why we created the Exec 40 – our tallest sit-stand desktop model available. This VARIDESK® model offers the height you need and enough surface space for multiple monitors, papers, and other accessories. The lower keyboard tray slides out and fits a full-size keyboard and mouse with plenty of room to spare.
