216 The green mile
There's a reason the emerald has been loved and admired for centuries. With the resurgence of the popular gem, *Vogue* creates the smart girl's guide to finding your shade of green.
By Shruti Thacker

218 First of its kind
Three decades in the making, Ensemble has delivered an extraordinary dialogue of Indian fashion then and now. Tina Tahiliani Parikh shares with *Vogue* all the milestone firsts.
By Akanksha Kamath

222 10 on 10
The first edition of the *Vogue* Women of the Year awards was one for the books. Here's what made it a night to remember

RSVP
238 The scoop on the most happening soirées

MIDDLE EAST SPECIAL
245 What is Dubai wearing?

The desert city is home to women from all over the globe and though their styles may differ, their love for all things fashion is what unites them. *Vogue* gets sartorial lessons from Dubai's chicest

258 The Dubai shopping blackbook
Let's face it—when it comes to retail therapy, Dubai is miles ahead. To help you on your next trip, we've come up with the definitive A-to-Z guide to the city's shopping secrets

178 Begin again
All it took Surily DP Goel to return to her passion after a two-year-long break was sage advice from her closest friend. *Vogue* talks to the designer about phase two.
By Rujuta Vaidya

182 What we're loving

A global Indian label, a website dedicated to saris, the capital's newest retail experience, the

Indian model of the moment...these are just a few favourites that are rounding out our year. This is an editor's eye of what's really hot right now. By Priyanka Khanna

192 Play it by year
As three labels hit major milestones, *Vogue* traces their journey one show-stopping collection at a time. By Neharika Manjani

198 In praise of being over-dressed
Hayley Bloomingdale argues the case for

sartorial abandon, this season and beyond

200 Cause and effect
What do Payal Singhal, Megha Desai and Kulsum Shadab Wahab have in common? An itch to make the world a better place, one empowered woman at a time. Akanksha Kamath finds out more

204 Screen time
Few things go together like Fendi and film—the storied Italian house's latest exhibition stands as concrete proof. By Neharika Manjani

206 In the red
Revolutions are ignited by it, the camera loves it and people go to court over it—no other colour has the power of red. By Charlotte Sinclair

210 Hold court
On a whirlwind trip to London, Priyanka Kapadia gets squash champion Dipika Pallikal to divulge everything from her fitness regime to wardrobe MVPs

214 In sync
In this digital age, it seemed but natural that a historic fashion house and an Instagram sensation come together for an exclusive capsule line. By Pahull Bains

158 Ageless agenda
Move over, Big F—ageing is all about growing into your own skin. Writer and columnist Shobhaa Dé tells *Vogue* why she's celebrating 70 with the bags under her eyes, the lines on her face and a new set of wings on her back

164 10 jobs for the next 10 years
We're always told to future-proof our career, but what does it actually mean? Caroline O'donoghue reveals the

jobs to set your sights on

168 The future is female
A feminist role model and a drummer known for her stint with MIA—meet Madame Gandhi, the newest musician with a mission. By Pahull Bains

172 Etched in stone
A museum show on Indian jewellery that has travelled from New York to Paris is now captivating Venice. Gayatri Rangachari Shah comes away dazzled
