PICK OF THE MONTH

Bedazzled

Aesthetic appreciation never plays by a rulebook, but the House of Meraki's fine jewellery collation sure provides inspiration. Crafted in collaboration with emeralds from Gemfields, the symphony of rings, bracelets, earrings and necklaces marries modern sensibility with traditional influences. Colour me green!

The Gold Standard

Oud is the current toast of the perfume world so fragrance brand Rabanne does well with its luxurious 1MILLION GOLDEN OUD fragrance. There's a reason it is so wildly and widely popular. The intense scent is an irresistible molten blend of spicy leather and warm sandalwood. Can you imagine a more hypnotic combination?

It's Time to Hustle

Power packed, multi-active serums are to skincare what the elliptical cross trainer is to exercise. Formulated with over 11 active ingredients, this one-bottle solution is your answer to skincare woes from acne to dehydration, premature ageing, pigmentation and wrinkles. The formula has been slightly reengineered to offer a smoother and softer texture. The bottle is sleeker too. Welcome to skincare 2.0.

Avant-garde Spirit

Green seems to be the hue to sport these days. If you don't believe us, check out the TAG Heuer Carrera Chronograph and TAG Heuer Carrera Chronograph Tourbillon. Dazzling in green, this is refined elegance that bears a bold stance. Even the Connected Calibre E4, a 45mm beauty in sumptuous green, is the perfect blend of style and function, melding tradition with innovation.
