

What is LINQ™ Complex?

LINQ™ complex is our proprietary blend of ingredients that stimulate the cell renewal process. LINQ™ helps boost skin cell oxygen consumption and increase the natural energy of skin cells. The enhanced cellular metabolism and increased cell renewal result in brighter, healthier, more radiant appearing skin.

Suitable for all skin types and complexions, LINQ™ complex contains powerful anti-aging ingredients gentle enough for sensitive skin. LINAGE LINQ™ helps lighten age spots, freckles and melasma. Dull and sun-damaged skin is replaced by healthier, smoother skin.

The Linage LINQ™ line pairs LINQ™ complex with advanced anti-oxidants, skin softeners, and humectants to bring you a truly unique, unparalleled skin care line.

Developed by a dermatologist and cosmetic surgeon, LINAGE LINQ™ is a comprehensive skin care line based on clinically proven ingredients. These unique products help improve the skin's cellular functions, enhance the natural epidermal renewal process, and accelerate skin regeneration, revealing a luminous, more youthful complexion.

"I purchased the Radiance-Restoring Serum and when I saw the results, I went back and purchased all of the LINQ products."

- Jill A., Studio City, CA

Caution: For external use only. Avoid contact with eyes. If contact occurs, flush with water. A mild and temporary stinging may occur in individuals with sensitive skin. If irritation develops, discontinue use.

Use sunscreen to prevent excess sun exposure.

Skin Brightening Wash

6.7 Fl Oz / 200 ml

Pamper your skin with this luxuriously creamy, soap-free, foaming cleanser. Formulated with LINQ™ complex, our proprietary blend of skin brightening agents gently exfoliate dead skin cells, revealing radiant and healthy-looking skin.

Additional Skin Benefits:

- Panthenol - Vitamin B5 - Penetrates deeply and moisturizes
- Turmeric Root Extract - Reduces inflammation and works as an anti-oxidant
- Licorice Root Extract - Brightens the skin and works as an anti-oxidant
- Sodium PCA - Works as a high-performance humectant

Gentle Balance Toner

3.3 Fl Oz / 100 ml

This alcohol-free conditioning toner with LINQ™ complex targets damaged surface cells and helps reduce the appearance of dark spots. A mixture of peptides and amino acids helps rejuvenate skin cells, while Aloe Vera and Witch Hazel soothe and calm the skin.

Additional Skin Benefits:

- Licorice Root Extract - Reduces irritation and brightens the skin
- Aloe Barbadensis Leaf Juice - Hydrates, heals and softens
- Glycolic Acid - Exfoliates dead, dull skin cells
- Witch Hazel - Reduces inflammation and heals
- Allantoin - Reduces irritation. Heals and soothes

Radiance-Restoring Serum

1.0 Fl Oz / 30 ml

Bring back your skin's radiance! This sensational serum contains Avena Sativa Oat Kernel Extract to help provide a "lifting" effect, Argireline to help reduce lines and wrinkles and LINQ™ complex, to brighten and even out skin tone.

Additional Skin Benefits:

- Pea Extract - Reinforces the skin's natural defense by fighting free radicals to prevent new wrinkles from forming
- Bamboo Silica - Provides strength and resilience to collagen and elastin
- Glucosamine - Increases production of hyaluronic acid, induces cell proliferation, and firms the skin
- Avena Sativa Kernel Extract (Elastic, flexible molecule derived from oats) - Softens the skin

Renewing Day Crème

1.7 Fl Oz / 50 g

This luxuriously hydrating moisturizer helps to defend your skin against daily stress and environmental damage.

Renewing Day Creme restores the level of essential moisture in the skin, resulting in healthier, younger, more vibrant looking skin.

Our proprietary LINQ™ complex helps improve the skin's cellular functions and enhances the natural renewal process, for a more even skin tone and smoother texture.

Additional Skin Benefits:

- Niacinamide - Stimulates microcirculation
- Glycolic Acid - Exfoliates dead, dull surface skin cells
- Sodium Hyaluronate - Binds water and moisturizes
- Bisabolol - Reduces inflammation
- Allantoin - Reduces irritation, soothes, and heals
- Calendula Officinalis Flower Extract - Soothes and heals

Recovery Night Treatment

1.7 Fl Oz / 50 ml

While the body is at rest, this restorative night treatment helps to enhance the natural repair cycle of the skin. Our proprietary LINQ™ complex stimulates the cell renewal process while tetrapeptide-3 promotes production of collagen. In the morning the skin will appear radiant, youthful and healthy.

Additional Skin Benefits:

- Centella Asiatica Extract - Improves firmness and elasticity
- Retinol - Helps regenerate and renew the skin's surface, revealing smoother skin
- Licorice Root Extract - Brightens the skin
- Echinacea Angustifolia Extract - Heals and soothes
- Borage Oil (Omega Fatty Acid) - Stimulates cellular metabolism
- Tocopheryl Acetate - Inhibits oxidative damage
- Evening Primrose Oil - Improves hydration

Illuminating Eye Treatment

0.5 Fl Oz / 15 ml

A lightweight emollient moisturizing treatment formulated with Ash Bark Extract reduces puffiness and darkness and helps improve loss of tone and elasticity under the delicate eye area. LINQ™ complex gently smoothes fine lines, revealing a healthier, more illuminating appearance.

Additional Skin Benefits:

- Silanetriol Potassium Citrate - Helps regenerate collagen and skin cells
- Ash Bark Extract - Improves capillary resistance and inhibits oxidative damage
- Organic Silicon - Reinforces capillary integrity through its vasculoprotective activity
- Vitamin B3 - Helps restore a normal blood flow
