When May comes around, there's one place you need to be and that's trackside, for the return of Brisbane's premier racing carnival. Drawing thousands of visitors from near and far, The Star Stradbroke Season 2024 is where the best in thoroughbred racing and luxury hospitality come together, culminating in six extraordinary race days you certainly don't want to miss.

The fun kicks off on Saturday 4 May with Sky Racing Guineas Day at Eagle Farm Racecourse, before the action moves to Doomben for the next two race days.

Then it's back to Eagle Farm for three more days of exhilarating live racing, entertainment, divine food from the Brisbane Racing Club culinary team, and fabulous prizes to be won in Fashions On The Field which is presented

by Astelle, Mannzilo and Artisans Bespoke Jewellers.

Drawing the carnival to a close on Saturday 15 June will be The Star Stradbroke Day. With more than \$6.5 million in racing prize money on the line, this grand finale is truly a winner. The fan-favourite Nova 106.9 Lawn Party returns with tunes, tipples, and treats, or enjoy enviable views of the Eagle Farm straight while celebrating at the exclusive Lower Level Squire's Perch.

Spanning the carnival, there will be a racing prize pool of more than \$20 million, once again proving why this iconic event is a treasure of Brisbane's rich racing history.
