About Us 24
- Smith meters, parts, accessories
- Sight Glasses
- Flow Indicators
- Level Gauges
- Custom & Standard
- Pneumatic Pinch Valves
- Mechanical Pinch Valves
- Knife Gate Valves
- Silo Overfill Protection
- Butterfly Valves
  - w/ or w/o Thermal Expansion
  - Electric Actuators
- Halogen and Incandescent
- Locomotive Headlights
- Locomotive Ditch Lights
- LED Engine Room Lights
- Control Valves
- Cable Protection Solutions
- Torque Wrenches
- Torque Multipliers
- Torque Measurement
- Railroad Facilities Systems
- Railyard Construction
- Service / Maintenance
- Locomotive Servicing Equipment
- Rail Yard Data Management
- Fuel Data Collection
- Tank Monitoring
- AEI Locomotive Tracking
- Halo Lighting Systems
- Batteries, and Replacement Parts
- Training / Certifications
- Cable Protection Solutions
- Multi-Brand Supplier Network
- LOKE Products
- Process Components
- Torque Wrenches
- Torque Multipliers
- Torque Measurement
- Railyard Supply, a division of CWI Railroad System Specialists

Terminal Loading Products

- Loading arms and accessories
- Terminal rack products
- API couplers
- Adapters
- Swivel joints
- LOK products
- Process products
- Overfill protection and grounding
- And more...
Sight Glasses

- Sight glasses
- Flow indicators
- Level gauges
- Custom or standard
- Teflon lined
- Armored
- Minimal wetted parts
- Smith positive displacement meters
- Universal pulsers
- Gears
- Calibrators
- Misc. parts

Meters & Parts
Pinch Valves / Knife Gate Valves

- Pneumatic actuated
  - VMC series
  - VMP series
  - VF series
  - VT series
- Mechanically actuated
  - OV series
- Knife Gate Valves
  - Type A
  - Type B
  - Type C
- Silo overfill protection
Butterfly Valves / Electric Actuators

- Stock items include
  - Electric actuators
  - 3” viton seated valves
  - 4” viton seated valves
  - 3” metal seated valves
  - 4” metal seated valves
- Account for thermal expansion
  - 10 psi check valves available
Fuel Control Valves

- Fuel specific control valves
- Pilot valves
- Pressure reducing
- Pressure relieving
- Halogen headlights
- Incandescent headlights
- Step / ditch lights
- LED engine room lights

Locomotive Lighting
Locomotive Jump Starters

- AGM64RR
- 214RR
- 2400RR
- 3324RR
- 3370RR
- Start up to 6000 hp engines
- Locomotive service centers and equipment
- Heated reel, pump, tote, and elevated cabinets
- Fixed and mobile sand systems
- High capacity locomotive fueling
- Meter, pump, and filter systems
- Truck loading / unloading systems
- Tank car loading / unloading systems
- Lube oil, water, and compressed air systems
- LST equipment
- Automated derail systems
- Locomotive movement alarm systems
- RYDM
- AEI tracking systems
- Rail Yard Data Management
- Fuel monitoring
- Tank monitoring – any product
- Nozzle fueling
- AEI locomotive tracking
- SmartBox
- Truck unloading / loading
- Tank car unloading / loading
- Dedicated website
- Dedicated RYDM team
- Automated emails
• Conduit and Fittings
• Fast assembly and disassembly
• Integrated sealing and locking mechanism
• No tools required
• Spiral wrap
• Hose sock
• Made in USA
• Gas pak pro
• Pipeline deliquescent
• HLSXG explosion proof
• GF200 series filters
Air Filters and Dryers

- Dryers
  - Portable dryers
  - Single tower deliquescent
  - Mini heatless
  - Large heatless
  - HLSXA explosion proof
  - In-line desiccant
  - Moisture blocks

- Desiccants
- Coalescing filters
- Particulate filters
- Mist eliminators
- Moisture separators
- Automated drain valves
• Torque measurement tools
• Industrial torque wrenches
• Hand torque multipliers
Personal Lighting Systems

- ¼ mile visibility
- 360 degree lighting
- Powerful flood task lighting
- Rechargeable battery
- Connects to any hard hat
- Lightweight and cordless

ILLUMAGEAR
HALO™

Railyard Supply, a division of CV
US Headquarters:
1827 County Line Rd
Barto, PA 19504
• Specializing in facilities, mechanical, and capital projects departments
• Licensed and insured
• Unlimited bonding capacity
• 35+ years experience
• Design and build projects
• In-house engineering
• CAD design
• Nationwide reach
• Routine Maintenance
• Meter Calibration
• Fuel System Inspection
• Strainer cleaning, valve greasing
• Emergency Repairs
• Sand System Maintenance
• Free Telephone Support
• Nationwide Reach

A RailPros Company
**Railyard Supply** is the railroad facilities systems and industrial product distribution partner that provides full 360-degree service to bring the most value for your investment. We believe customers are best served by a company that can meet all their needs. Since 1984, our company of engineers, fabricators, construction teams, service techs, sales agents, procurement teams, IT personnel, accounting, and leadership teams work together to provide best-in-class solutions. Our strategic problem solving and technology implementation helps each customer reach their goals.

- **Industrial distribution** – products focused towards the railway industry
- **Engineering** – design our equipment and projects
- **Fabrication** – custom facilities equipment
- **Construction** – licensed and insured railyard construction
- **Service** – full support of our equipment, meter calibration, emergency services
- **RYDM** – online digital fuel monitoring, tank monitoring, and more
