INSTALLATION GUIDE

INSTALLATION

4x 1/4-20x1/2” socket cap
1x Tape Hook

1. Locate 1/4-20 Holes on top of Camera and both Right & Left Top Plates.

2. Select and align 1/4-20 Holes of Right Plate and Camera Right.

3. Select and tighten 1/4-20 Screws to secure Right Plate to Camera Body. Install Tape Hook as shown below.

4. Repeat steps 2-3 to attach Left Plate to Camera Left.
