The NUTSÓLA LIFESTYLE

Look and feel your best through a lifestyle of clean eating without added sugars.

No Added Sugars

We only sweeten with dates or fruit. No sugar alcohols (erythritol), cane/coconut sugar, monk fruit, stevia.

Gut Friendly Snacks

We want to help customers improve their digestion and have a strong immune system so they can live their most active lifestyle.

Optimal Energy

A good source of fiber means slower sugar absorption and more sustainable energy for your customers.

Clean Ingredients

Sick of brands deceiving with misleading packaging, claims and ingredients? We are too! No "Natural Flavors", chemicals, preservatives or anything you can't pronounce.

It's all in the family

We are a father and son company that's passionate about innovation and creating healthier food products with a delicious taste. Our goal is to provide your consumers with 100% clean ingredients without added sugar. In fact, our products are only sweetened with dates. Our mission is to make a positive difference in the food industry. We look forward to partnering with you!
