Inspired by a desire to create a buffalo chicken wing flavored snack, minus the sticky fingers mess, this stick aims for quality flavor and just enough heat to wake the taste buds. We aim for flavor over 'super hot', but, if you are very sensitive to spicy products, this may make you sweat a little.

When we were developing our BBQ snack stick, we wanted to have a nice rich flavor with a kick of smokey sweetness. Every year Honey BBQ ends up being one of our top sellers as it pleases some of the most picky eaters.

Ideal for those looking for just a lil bit of heat, this flavor starts with a solid base of savory flavor and is accented with bits of jalapeno the provide gentle random kicks of spicy heat. Again, our commitment to quality flavor over making a 'super hot/spicy' product means almost everyone can appreciate having a Lil Zip.

Sweet mango and spicy jalapeno, randomly dispersed in an all turkey stick, help this low calorie, high protein option shine. Some think of running when they see Jalapeno, but never fear, they are there to make sure the mango is not too sweet. We always believe everyone should be able to eat one of these to make their day more Tropical.

Are you the type of person who likes to dunk their breakfast sausage in their pancake syrup? Then this is the flavor for you! This stick is a perfect harmony of savory sausage-y flavor and the maple-y sweetness of real maple syrup. It is like a breakfast-to-go!

Using the same ingredient recipe as our original 1977 award winning beef summer sausage, this crowd pleaser is the perfect go-to for those who cannot decide which flavor to try. It is like a personal sized summer sausage for the busy person on the go.

Evolving from one of our original flavors, this stick is inspired by those who desire to have a pepperoni pizza anytime, anywhere: but with no dairy and less carbs. Striving for pure flavor perfection, this stick aims to be anything but boring.

Stemming from requests for something with some sweet heat, our attention focused on creating a balanced pork stick that had just enough chili to not be boring, but enough sweetness to not be too hot. This is one of our top trending new flavors which meets everyone in the middle.

100% beef, brown sugar, and red pepper join forces to save the day from boredom. Following our philosophy of not aiming for super hot snack sticks, we aim to please the taste buds with this robustly flavored snack stick.

One of our greatest challenges, but patience was the key to creating our number one seller. After 23 batches, we finally had a sweet, flavorful snack stick with just the right amount of intense tangy umami flavor. Truly a crowd pleasing flavor almost everyone seems to enjoy.
