Maestoso ma con moto (♩ = 104)

Trumpet

8

8

14

Gt.

8

Other than the mandatory Trumpet or Tuba stop where indicated, the choice of registration is left to the player. It is probably best if the Great and Swell manuals are coupled to each other, and that the latter is coupled to the Pedal. If the dynamics of the Trumpet manual cannot be altered by the feet, then it would be as well to keep that manual at a steady forte throughout.
