

CURRENTS GALLERY

We are a well respected artist-owned gallery in McMinnville, Oregon. We are currently accepting applications for a few consignment artists. On the first Monday of each month we review work by prospective consignment artists to choose additional high quality art to display in our gallery.

Our space is very limited so on occasion we must reject some excellent artists because their work is similar to art that we are already showing, or because the work is not a good fit with our gallery.

Our exhibits change every month. Those artists we accept can expect a limited number of pieces to be on display in any given month. We keep a few of their extras in our storeroom to replace art that sells and also to show customers who express interest in that artist. The artists we represent may not be represented by any other gallery within a five mile radius. Currents Gallery takes a 50% commission from consignment artists' sales.

HOW TO APPLY AS A CONSIGNMENT ARTIST

If you are interested in being a consignment artist at Currents Gallery, please bring the following items to the gallery before the first Monday of the month:

- Six gallery-ready samples of your work.*
- A resume, please include any fine arts education, exhibitions, professional training, reviews or awards you may have.
- A one paragraph artist's statement.

After jurying, we will notify you of our decision within one week. If your work has been chosen for consignment it may be displayed a few weeks after acceptance. If it has not been accepted you will be asked to pick it up in a timely fashion.

*"Gallery Ready" means that the wall art is properly framed with wire hangers and that 3-d art is ready to display on a shelf, pedestal or clothes hanger.

TEACHERS WANTED

Our large well-equipped Back Door Studio room is dedicated to teaching art. If you have experience teaching in one or more media and would like to offer classes in our space, please respond with this application by including a summary of your experience and examples of your work.
