FL13R

INSTRUCTIONS FOR COAST FL13R HEADLAMP

BATTERY INSTALLATION

The COAST FL13R uses three AAA alkaline batteries located in the rear of the headlamp.

To access the battery compartment, hinge the headlamp downward to reveal the rear of the headlamp body. Once the rear of the headlamp is revealed, pull the locking mechanism up to unlock the battery compartment. Insert the batteries in the direction indicated inside the headlamp, close the battery compartment door until it 'clicks' shut, and hinge the headlamp back towards the reflective strap. Never mix old and new batteries. Remove batteries before storing headlamp for extended periods of non-use.

WHITE & RED LED BEAM OPERATION

To turn on the headlamp, depress the power switch on the top of the headlamp while worn to enter "Low" mode. Depressing the same button a second time soon after will switch the headlamp to "High" mode. A third depression of the button soon after will turn the headlamp into "Solid Red" mode. A fourth depression of the button soon after will shift the headlamp into "Flashing Red" mode. Pressing the power button a fifth and final time will turn off the headlamp.

BEAM POSITION ADJUSTMENT

The hinged adjustment allows you to tilt the headlamp downward to illuminate close objects. To adjust the tilt position of the headlamp, hold the body of the headlamp with one hand and tilt the body away from the back plate (which retains the strap), holding the back plate with a second hand (if necessary).

HARD HAT SAFETY HELMET CLIP USE

The FL13R includes helmet clips for use with hard hat style safety helmets. To use the helmet clips, loosen the side headband to fit the helmet and attach the clips to the strap of the headlamp, evenly spaced with two on each side.

Note: Clips are designed for use ONLY with HARD HAT style safety helmets. They are not acceptable for use on most sporting safety helmets.

MAINTENANCE

Wipe the external body with a cloth moistened with water or isopropyl alcohol. Allow to dry before use. Do not submerge.

WARRANTY

The FL13R is protected by COAST's Lifetime Warranty. For expedited warranty service, visit: coastportland.com.
