HUMANISING THE FUTURE OF WORK
with Penny Locaso
WHO ARE YOU REALLY?
BUSY = BULLSHIT
Our focus on doing, is compromising our state of being.
BUSY IS AN ANXIOUS TREND

1. Australia
2. Ireland
3. United States
4. Canada
5. United Kingdom
IS BUSY CODE FOR...

• Distraction?
• Short-termism?
• Loneliness?
• Self Validation?
• FOMO?
BUSY BLOCKS
HUMAN CONNECTION
“Workers will need to acquire new skills and be more adaptable as they work ever more closely with machines.”

- McKinsey & Company

“The factors that help make adaptive organisations fast-scaling workplaces irresistible, can also unlock a new way of leading, enabling, working, and organizing.”

- Deloitte

“Increasingly, managers are finding that sustainable competitive advantage stems from organizational capabilities that foster rapid adaptation.”

- Harvard Business Review
The measure of how skilled you are at making intentional change in a complex environment evolving at speed.
WHERE IS HAPPINESS FOUND?
“The language you use will determine you ability to make change.”
"Being human is not about individual survival or escape. It’s a team sport. Whatever future humans have, it will be together."

- Douglas Rushkoff
