

## **Time Travel: From Time to The Timeless**

Our transformational journey to Khemet (Egypt) will allow us to break the bonds of time and step into the eternal. In the spirit of soulful fellowship, we temporarily break our day-to-day habits, and free ourselves to explore our timeless nature allowing for joy, healing and pure fun to manifest individually and collectively. Through our exploration of the timeless mystery schools of Egypt and practices of meditation, visioning, yoga, prayer, and conscious celebration we will discover and unleash our hidden splendor that will change us forever.

Join me on this sacred journey as we move from time to the timeless!
