

# UNION STANDARD SUPPLY CO.

2021 CUSTOM PROGRAM

Our custom hat program is fast, easy, and affordable! Just send over your artwork, approve your proofs, and get your hats on the way!

## STEP 1:

Email us at [Tim@unionstandardsupply.com](mailto:Tim@unionstandardsupply.com). Attach vector artwork as .PDF file, .ai file, or .eps file. Although vector artwork will ensure the highest quality engraving, high resolution JPEG's emailed as large or actual file size works as well. You must own artwork.

## STEP 2:

Within 2-4 business days we will create digital samples with your design concepts. After receiving your digital samples, choose your patch designs/hat colors and place your custom order via email.

## STEP 3:

Pay your custom invoice and just like that your hats are on the way!  
(Custom orders typically ship within 14-21 days of invoice payment - inquire for live estimate)

## ADDITIONAL CUSTOM DETAILS:

- Custom wooden patch types are engraved CherryWood, BlackWood, and Walnut Cut out patches. Patches can come either with or without black oxide rivets.
- Custom lead time 14-21 days from proof approval
- Total minimum order quantity 12 hats (**minimum of 6 per unique patch/hat combo within orders**)
- Artwork/Laser engraving set up fees are between \$40-\$85 depending on patch type.
- Upon proof approval our team will email a custom invoice for payment and begin your custom order after payment is received in full. Custom hat sales are final and non returnable.
