

Bell Tent Accessory: Half & Quarter Inner

Owner's Manual

STEP 1: Take the inner tent out of the bag and place it inside the bell tent

STEP 2: Attach the inner tent in place using the clips in each corner and along the edge with their corresponding clips inside the bell tent as shown in the picture

STEP 3: Take the red elastic webbing strap and attach it to the D-ring on upright center pole as shown in the picture and tighten the strap as required
