

Find Your Perfect Fit – Ring Sizer

- 1) Print this page. Verify it printed correctly by measuring the guide. It must be 3-1/2 inches between the points shown to work.
- 2) Cut out your ring sizer.
- 3) Insert the sharp point A through slot B.
- 4) Place the ring sizer over your finger and pull the tab until it fits comfortably.
- 5) Read the size from the scale.
