7: HANDLING AND LUBRICATION

ADVICE:

Hold Virtual Blowbot Turbo Stroker at the base of the device and apply a generous amount of water-based lubricant.

Please note:

- Virtual Blowbot Turbo Stroker is not a hands free device.

Recommended:

1. Always use a waterbased lubricant.
2. Always use lubricant as it will prolong the lifespan of your Virtual Blowbot Turbo Stroker and give you the most comfortable experience.

Do not use:

1. Silicone lubricant as it will deteriorate the silicone of Virtual Blowbot Turbo Stroker.
2. Massage oils or hand cream as lubricants.

8: CLEANING

Always clean Virtual Blowbot Turbo Stroker thoroughly after each use.

1. Remove the inner sleeve and use warm water or a specialised toy cleaner.
2. Ensure the Virtual Blowbot Turbo Stroker is completely dry before reassembling.

TPE is an easy material to clean, and will last for years when taken care of properly.

Avoid cleaners containing alcohol, petrol or acetone and harsh soaps as this might damage the material of the Virtual Blowbot Turbo Stroker. Never submerge the Virtual Blowbot Turbo Stroker, it is not waterproof and doing so could pose a risk of **electric shock**.

9: DISCLAIMER AND WARNING

- Our devices are **NOT** to be used by or on minors (anyone under 18), or anyone who is unable or unwilling to express consent.
- Do not use devices on inflamed or irritated areas.
- Follow all directions as set forth by the manual, and do not attempt to make any technical adjustments to your device at home.
- Kiiroo will not be held responsible for any undesirable results of misuse.

Do **NOT** use your Virtual Blowbot Turbo Stroker;

- **If there are exposed electronic elements**
- **If it is excessively hot to touch**

- Do not leave your Virtual Blowbot Turbo Stroker in direct sunlight and **NEVER** expose it to extreme heat.
- Never use cleansers containing alcohol, petrol or acetone.
- Do not use heating appliances to dry the device.
- Avoid using harsh soaps as they can damage the material.
- **This is an adult product. Keep out of the reach of children.**
- The Bluetooth® module is located in the handle.
- If you have a pacemaker or other medical device, consult your doctor. If you experience pain or discomfort then discontinue use immediately.
- Do not use on unexplained calf pain. If you are unsure – consult a doctor before use.

10: DISPOSAL SPECIFICATIONS

You should not dispose of Virtual Blowbot Turbo Stroker in your waste bin. Like any electronic device with a rechargeable battery, there are disposal regulations. These vary by city and local municipality. Be aware of how electronics are disposed of where you live. Also consider that in your locality, Virtual Blowbot Turbo Stroker may be considered biowaste because of its intimate nature.
