

THE CHEESES

american beauties

THE PAIRINGS

PAIRS WITH

prairie breeze

FRIENDLY&FLEXIBLE - COW
 PASTEURIZED - VEGETARIAN RENNET - 9-12 MOS
 @MILTONCREAMERY

Milton Creamery from **Iowa** started out on the path to making a rich and creamy cheddar but then went off-road, ending up with a wildly popular cheese that's sweeter, fruitier, and nuttier.

THIS CHEESE HAS GOT A POSSE

toma

FRIENDLY&FLEXIBLE - COW
 PASTEURIZED - VEGETARIAN RENNET - 3 MOS
 @POINTREYESCHEESE

California's Point Reyes Farmstead Cheese Co. has won awards for this elegant and scrumptious toma that's creamy, buttery, and just a little bit tangy.

A REAL CALIFORNIAN DREAMBOAT

seascape

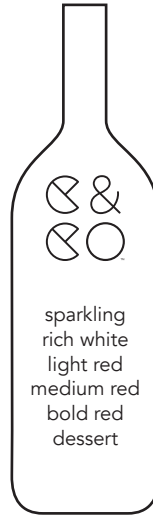

FRIENDLY&FLEXIBLE - COW, GOAT
 PASTEURIZED - VEGETARIAN RENNET - 4 MOS
 @CENTRALCOASTCREAMERY

Handcrafted by **California's Central Coast Creamery**, this two-milk cheese is the best of many worlds: crumbly and tangy, but rich and creamy, and with just a hint of salted caramel to add complexity and depth.

THIS CHEESE CONTAINS MULTITUDES

FLAVOR PROFILE GUIDE

- sweet spicy
- salty nutty*
- sour umami

popcorn

CLASSIC
 @BJORNQORN

New York's BjornQorn popcorn is popped to perfection before getting a properly tumbled with nutritional yeast and salt. It's both richly satisfying and light enough to snack on, and on, and on...

OTHER USES

Stick in your bag for a mid afternoon snack

fruit spread

MICHIGAN CHERRY
 @BROWNWOOD_FARMS

Ohio's Brownwood Farms sources the best cherries from the Cherry State before cooking them in small batches into this lush spread with a deep and nuanced flavors that's like the epitome of cherry pie.

OTHER USES

Use as the filling for thumbprint cookies.

lightly salted potato chips

@RT11POTATOCHIPS

Route 11 Potato Chips

from **Virginia** respects the Art of the Chip so much that they hand-fry these kettle chips in small batches, so each chip reaches its own personal zenith of salty-savoriness.

OTHER USES

Flip the script and use them in chocolate chip cookies (don't knock it 'til you've tried it)

*nutty doesn't mean it contains nuts! All flex pairings are nut-free.
