FLAVOR PROFILE

wensleydale

FRIENDLY&FLEXIBLE - COW

PASTEURIZED - VEGETARIAN RENNET - 3-6 MOS

@WENSLEYDALE_CREAMERY

The favorite cheese of Wallace and Gromit, this wedge from **Wensleydale** in **England** might just be your new favorite, too. It's flaky and mild, with honey undertones that pair beautifully with sweeter pairings.

THIS BRIT IS READY FOR A TROPICAL HOLIDAY

36-month gouda

FRIENDLY&FLEXIBLE - COW

PASTEURIZED - VEGETARIAN RENNET - 3 YRS

@ARTIKAASGOUDA

Artikaas from **Holland** partners with family farms to spin their cow's milk into everything you want a Dutch gouda to be: nutty, butterscotchy, and full of flavor—with the crunchies, too!

I MEAN IT'S BASICALLY EDIBLE GOLD

big john's cajun

FRIENDLY&FLEXIBLE - COW

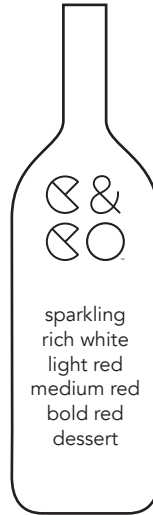

PASTEURIZED - VEGETARIAN RENNET - 6 MOS

@BEEHIVECHEESE

Beehive Cheese out of **Utah** has done it again, rubbing their stellar cheddar with a mix of garlic, celery, and cayenne for a creamy, savory delight with a subtle smoky kick.

corn crackers

GUAVA

@GOCRAIZE

Florida's Craize aimed to capture the essence of the Latin American arepa, but in a wafer thin cracker that's bursting with corn flavor. This one's made with guava jam, too, so it's both tropical *and* toasty.

OTHER USES

Layer into a sandwich to add some crunch.

fruit paste

PASSION FRUIT

@MAUIFRUITJEWELS

Maui Fruit Jewels struck gold when they rethought the quintessential quince paste and created these boldly tropical flavored pastes that will make you fight over the cheese board.

OTHER USES

Spread on the inside of a grilled cheese sandwich

dried fruit

ORCHARD BLEND

@RINDSNACKS

Rind from **NYC** uses the whole fruit, rind and all, to make these addictive snacks. Not only does this cut down on food waste, but it adds extra flavor and texture. The orchard blend contains sweet apple, fragrant persimmons, and tangy peaches.

OTHER USES

Chop up and toss in a salad.

*nutty doesn't mean it contains nuts! This box is nut-free.
