

Luscious Little Bookmark.

A simple crochet bookmark pattern using Uk terms.

Chain 7 and join with a slipstitch in the first chain. Ch 2 (counts as first htc) then 15 htc into the ring. 16 in total. Join with ss in top of starting ch 2. Ch 3 miss a stitch and ss in the next stitch, continue round making 8 loops. On the last ch 3 (to form the last loop) create a dc into the first loop made.

After the dc create a htc tc htc dc in the same loop. Do the same in each loop to make the petals and then join with ss into the top of the starting dc. Don't cut yarn. Ch 60 cut yarn leaving a long tail. Thread the charm onto the yarn and hold the charm as you make another chain. Knot the yarn to secure the charm. Then with a yarn needle weave the end a few inches up the chain and use a small blob of pva glue here to ensure it doesn't work loose in use.
