Which Zen Fireplace Design are you interested in? - Elegante (Oval) - Occhio (Round)	
What is the measurement from your finished floor to ceiling where the fireplace will be located?	
What is the measurement from the ceiling penetration to the roof penetration where the fireplace will be located? Roof cavity height	
Is your ceiling flat or pitched?	
If pitched, what is the degree angle of the pitch? We will need to fabricate a custom pitched ceiling flange to suit.	
Is your roof flat or pitched?	
If your roof is pitched, what is the distance from the ridge to the fireplace flu termination point?	
Do you have to go through a second story? The flue can only go straight up with no bends.	
What is the floor material below the fireplace location?	
If it's a new build, do you have architectural plans available? If so, please attach via email. If you can mark the location of the fireplace would be helpful.
