Spring “BLITZ” Intern - Growth Projects

Internship Summary
Our team is seeking an energetic, reliable, and effective "jill/jack of all trades" to join our quickly growing start-up for a one month, project focused internship. Applicants should be passionate about making global impact through business, and looking for practical experience in an early stage social enterprise. Expect to gain valuable skills surrounding projects in a start-up, and to become involved in a valuable network of companies and mentors making positive change all over the world. This is a great opportunity to complete a full internship quickly, and get hands on experience. No coffee runs.

About Simple Switch
SimpleSwitch.org is an online marketplace for “positive impact purchasing.” Just 18 months old, we are bringing the convenience of modern online shopping to the growing number of conscious consumers passionate about using their purchasing power for good. Our impact spans efforts to eradicate human trafficking, environmental conservation, empowerment through employment, and more.

Intern Duties and Responsibilities
- Directly assisting the CEO in integral growth projects. Some potential examples include:
  - Gamifying sales to increase customer awareness of impact and encourage repeat sales.
  - Helping to outline videos & blog content sharing company values, partner stories +more.
- Ideating often to create additional ideas for growth, and to avoid stagnation in company culture.
- Handling sensitive and confidential information with honesty and integrity.
- Learning and growing intentionally and consistently through feedback from our founder, regular meetings with appointed mentors, and start up/impact focused events in Boulder/Denver.
- Taking on additional tasks or projects based on your own ideas about how to make the company better. We want to hear your ideas, and will value your perspective.

Intern Requirements and Qualifications
- Creativity, drive, and unique insight are a must for this position. You should find yourself excited about the idea of bringing growth and change to an organization in ways not yet tested.
- Self-directed and excellent at taking initiative without supervision. This is very important, as about half of your work will be done remotely.
- Must be enrolled in an accredited university/college program to receive credit.
- Genuine passion for social enterprise and global impact.
- General computer skills including social media, google

Benefits
- Mentorship from + access to Simple Switch founder, industry experts with willingness to teach.
- Optional provided access to any available networking, conference, and expo events.
- “At-Cost” employee discount on any of the 3,000 on simpleswitch.org throughout the internship.
- Class credit through your pre-approved accredited university program, where applicable.
- Flexible hours, team adventures + community service opportunities, and a culture that cares.

Additional Information
- Internship to include 10-15 hours/week, with a mixture of in-office meetings and mobile projects.
- Internship to run March 23- April 29 with scheduling based on team’s commitments & needs.
- Applicants should be located in or be willing to commute to the Denver/Boulder Area.
