

# Creative Art Course for Children

## From Age 4 to 10 Years

### 1. Think creatively and independently!

Every child is unique. That is why your child's creativity will be guided with special attention given to unlock his/her inner artistic talent in his/her chosen subject (e.g. animal, landscape, or still life), and in his/her preferred artistic style.

### 2. Observe things and Express them!

Not only will your child learn to observe things, he/she will learn to interpret his ideas through painting. At the end of the course, you will be invited to listen to your child as he/she expresses on his/her painting.

### 3. Make art of his/her choice with joy and patience!

Your child will enjoy making his/her own art with patience.
