4. ONLY Event with participant of more than 45 PAX.
5. FOR CLUB SECTION ONLY – Once completed you must submit this form to your Section Division Head for approval.

Part 1

Is this a section event:

- Yes (fill in Part 2)
- No (make venue bookings with the Bookings Administrator, fill in Part 3)

Part 2: Details

Section Name*

Division*

Contact Name*

Position in Section*

Email Address*

Phone Number*

Part 3: Event Description

Name of Event:

Date(s):

Start and Finish Time:

Target Audience:

Number of People Expected:

Event Committee Member Names and Contact Numbers:

- 1) H/P no:
- 2) H/P no:
- 3) H/P no:
- 4) H/P no:

Type of Event (tick all applicable)

- Community Event
- Commercial Event (for profit)
- Free
- Ticketed or Restricted Entry
- BSP Department Event
- Others (please specify)

Type of Activity (tick all applicable)

- Fundraiser
- Festival* - A MOHA license may be required.
- Launch
- Promotional Event
- Live Performance – A MOHA license may be required not/or involving performers from outside of Brunei.
- Market
- Retail
- Road Closure* - Separate applications are required.
- Sporting Event*
- Others (please specify).....

*Complete the Events Safety Management checklist on Part 06

Is this expected to be a 'One Off' or Recurring Event?

- One Off
- Recurring – How Often?

Proposed Venue for your Event (tick all applicable)

- Pelangi Room
- Annex Room
- Main Hall
- Beach Shelter
- Padang
- Swimming Pool
- Multipurpose Hall
- KBBC Restaurant
- KBBC Chart Room
- KBBC Lawn
- Others

Part 4: Event Infrastructures

Food

- Yes – The organiser is to liaise with the Caterers directly
- No

Stage - Main Hall (Booking Required) / Built up scaffoldings

- Yes - The organiser to liaise with supplier/contractor directly for build-up.
- No

PA/Sound Amplification

- Yes – Please tick (Portable PA / From Jam Factory / Others)
- No

Tents/Marquees

- Yes – Total Number: ____The organiser to liaise with supplier / contractor.
- No

Other Inventory needed:

Part 5: HSSE Management

Ambulance needed?

- Yes – Please liaise with IFM/5122. Charges (B\$36/hr) incurred by HML.
- No

Extra Security

- Yes – nos of personnel required _____ Please liaise with HSE/1212.
- No

First Aider

- Not Required
- Available in the Committee (State their names below)

1. H/P no:

2. H/P no:

3. H/P no:

Potential Hazards Applicable?

- Yes *Please complete the Event Hazard Identification and Mitigation Plan in Part 6 and read the General Safety Guidelines on the last Page.
- No

Part 6

6.1 Event Hazard Identification and Mitigation Plan (please provide with as much detail as possible)

Risk Rating Chart

Likelihood	Consequences				
	Insignificant	Minor	Moderate	Major	Catastrophic
Almost	H	H	E	E	E
Likely	M	H	H	E	E
Possible	L	M	H	E	E
Unlikely	L	L	M	H	E
Rare	L	L	M	H	H

Legend:

E: extreme risk; immediate action required

H: high risk; senior management attention needed

M: moderate risk; management responsibility must be specified

L: low risk; manage by routine procedures

Control Hierarchy

The control hierarchy is a list of control measures, in priority order, that can be used to eliminate or minimize exposure to hazards. Below is the control hierarchy with general examples of each control measure:

- **Elimination** - Avoid the risk by removing the hazard completely.
- **Substitution** - Use less hazardous procedure/substances equipment/process.
- **Isolation** - Separate the process from people by the use of barriers/enclosures or distance.
- **Engineering Controls** - Mechanical/physical changes to equipment/materials/process.
- **Administrative Controls** - Change procedures to reduce exposure to a hazard.
- **Personal Protective Equipment.**

Definitions

Control Hierarchy	A series of control options ranked towards greatest and most efficient management of the hazard.
Hazard	Something with the potential to cause injury or illness.
Risk	The probability of a hazard resulting in an injury or disease, together with the seriousness of the injury or disease.

Element	Hazard	Risk	Initial Risk Level	Mitigation/Controls (be specific)	Residual Risk Level	Responsible Party	Remarks
Weather							

Part 7: Site Plan

Please include with your application a **site plan** of the proposed event venue, which must show the relative size and proposed position of all event infrastructure, including:

- Barricading
- Tents and stalls
- Stages
- Signs/banners
- PA/speakers
- Entry and Exit points
- Emergency Evacuation Areas
- Placement of First Aiders and Ambulance
- Temporary Storage Areas for inventory

Part 8

Your application will be assessed carefully by the Panaga Club Management Committee (MCM). We will advise if the event is permissible and what timeframes/permits/documents are required to seek final approval. This may include a detailed Event Plan containing:

- Communication Plan
- Site Plans
- Traffic Management
- Pedestrian Management
- Security and Emergency Management (which can be an attachment to Part 6)
- First Aid
- Venue Management
- Temporary Structures
- Waste Management

Final approval will only be issued if the completed event plans are satisfactory and clearly demonstrate effective management of the event.

General Safety Guidelines

- ☞ Provide general customer service duties to event patrons.
- ☞ Be familiar with the layout of the event environment and the general locations used by patrons and employees, including contractors.
- ☞ Make sure you know who the Event Coordinator and the next point of contact is. If you are the Event Coordinator, please insure this information is communicated to all who are working at your event.
- ☞ Do not perform any tasks that you are not trained or able to do safely.
- ☞ Be familiar with the location of all First Aiders and First Aid Facilities and other emergency equipment.
- ☞ No person is allowed to perform any work or volunteer duties under the adverse influence of any medication, drug or alcohol.
- ☞ Ensure good housekeeping so that litter does not accumulate to increase the danger of fire or trip hazards.
- ☞ Report any problems / accidents to the Event Coordinator or appointed First Aider (if any.) Contact Event Management immediately in event of any situation you think may be potentially dangerous e.g.: overcrowding.
- ☞ Ensure you are aware of all Emergency Evacuation Assembly areas and First Aid Facilities.
- ☞ Consume adequate liquids and wear appropriate clothing and protection for the weather conditions.
- ☞ Safe Lifting Techniques to be used at all times-assess load, bend knees, carry load close to body, and team lifting.
- ☞ Working at heights: Unless you have good reason and appropriate training/supervision/equipment and the ladder and/or structure is adequately supported, you must not venture on, beneath or near any temporary structure, ladder etc.

Approval in advance from the Club MCM are required for any type of excavations, installations of poster or banners, modifications or adjustment to any Club's equipment including bringing in any foreign equipment/structures/figures require for the events.
