LESSON OVERVIEW

The Stingrays Swimming Section has over 50 classes for all age groups and abilities in swimming.

For children, StingRays has 2 types of lessons:- Group and Private. Most of our members are in groups lessons.

Group Lessons

Lesson Structure - Stingrays effectively has 10 swimming levels of group lessons to develop children's swimming ability. This starts with:

- **Baby Rays** - for the under 3's

From 3 years, all levels are based on ability - technique in each stroke starting with freestyle (front crawl) and backstroke and the distance each child can comfortably swim without stopping. Since some children learn the techniques quicker than others, there is no defined time on how long each child will spend in each level.

Generally older children are in higher groups, but the age range can be quite large. We do have siblings 2 years part, but in the same swimming level. Some children may only spend a few months in a group, while others may spend a year and a half in the same group.

Our main swimming programme has 8 levels.

- 1) **Turtles** - for beginners that are fearful in the water or haven't found their natural buoyancy yet and require more physical support from the coach. This group aims to build water confidence and be able to swim a short distance independently.
- 2) **Blues** - for beginners that can swim a short distance independently, to develop freestyle and backstroke technique over about 10m.
- 3) **Snappers** - to extend swimming distance to a lap (30m) for freestyle with regular breathing and the same for backstroke.
- 4) **Eagles** - to extend distance to a continuous 2 laps (60m) of freestyle with regular breathing and 1 lap (30m) for backstroke.
- 5) **Tigers** - continues developing technique & stamina for freestyle and backstroke and introduces breaststroke.
- 6) **Sharks** - continues developing technique & stamina for freestyle, backstroke and breaststroke and introduces butterfly.
- 7) **Mantas** - continues developing technique & stamina for all 4 strokes and introduces diving.
- 8) **Whips** - continues developing technique & stamina for all 4 strokes and introduces tumble turns.

Our final group is our **Competition Squad**. Children in this group are invited by the head coach to train for and participate in local competitions. Competitions are not exclusively for the Competition Squad, children from the age of 7 are able to participate, if they would like to.

STINGRAYS SWIM
LESSON OVERVIEW
(CONT'D)

Group Placement - In order to place children in the correct swimming group they must have an assessment. If the child is participating in Panaga School swimming then this can be done during the school swimming lesson. Placement in groups, including promotions, is determined by the Head Coach.

Promotions - The coaches are continuously looking at the children's progress and when they feel a child consistently demonstrates the required skills for that level and is ready to take the next step, they will be promoted. Since our main programme is term based, we generally look at promotions before each holiday with new lessons starting after the holidays.

Class Sizes - The number of children in each group varies depending on level. BabyRays has a maximum of 4, Turtles 4-5, Blues and Snappers 6, Eagles and Tigers 10, Sharks, Mantas and Whips 12.

Cost of lessons - Group Lessons are \$25 per child per calendar month. Currently BabyRays, Turtles, Blues and Snappers are 20 minute lessons once a week. Eagles, Tigers and Sharks are 30 minutes once a week. Mantas and Whips are 45 minutes with a recommendation of 2 lessons per week.

Lesson Times - There are set times for the different levels with a number of different day and time options. On being placed in level or on promotion you will be given a list of lesson times with available spaces, so that a time can be chosen around other activities.

Swimming lesson times will change on promotion. They may also change periodically to accommodate changing numbers at different levels, though we will try to keep this to minimum. Swimming times can change if there are available spaces at other times.

Panaga StingRays lessons generally run throughout Panaga School's term dates. Modified lesson schedules are sometimes available during term breaks, at which time you will be notified by email. There are no lessons on Public Holidays. From time to time, lessons may be cancelled due to Coaches absence or due to pool closures.

Communication - All StingRays communications are conducted via email. Communication regarding swimming lesson timings, changes, promotions etc, are done with the StingRays Registrar for Group Lessons. If you wish discuss your child's swimming progress with the coach this can be done either via email or at a pre-arranged time, NOT during the swimming lesson.

Private Lessons

Private lessons have a maximum of 4 students and follow the child's own progression. They are \$15 per lesson per child. No shows are charged for and any absences or holiday lessons should be discussed directly with the coach.

These lessons are conducted around the coaches commitments to Panaga School swimming and the scheduled StingRays Group lessons, but at times convenient to yourself.

After receiving the Registration Form, all discussion about lesson times or changes are done directly with the coach. Cancellation of private lesson should be done by emailing the coaches directly, giving at least 2 weeks' notice!

Yachting

Update February 2018

The KBBC Yachting section is the proud owner of a Beneteau First 27.7 yacht. It is called the Makan Angin II, literal translated as 'eating wind', meaning 'to waste time'. The Makan Angin II is an easy yacht to sail, speedy but still with all the comfort for overnight stays on longer trips. The yacht is fully equipped with e.g. VHF/GPS, life raft, self-inflatable lifejackets, tender with outboard engine, depth/speedometer, rollaway genoa, and spinnaker. The Makan Angin II can accommodate up to five people. The lifting keel enables it to enter shallow waters without compromising sailing performance.

From October to March the Makan Angin II is moored in Muara at the Royal Brunei Yacht Club. This allows enjoying a variety of sceneries as well as safe sailing in the sheltered Brunei Bay during the northeast monsoon season.

The section monthly membership fee \$21 per person. This entitles you to one full day instruction on how to operate and sail the yacht for new members and one independent day trip. Additional trips will be charged as follows:

Yacht Usage Charges

- Monday -Thursday \$30 (per day)
- Friday -Sunday \$60 (per day)
- Saturday and Sunday inclusive \$100 (\$20 saving)

Sailing Charges

- Members \$15 (per day)
- Non Members \$35 (per day)
- If part of a course \$10 (per day)

Only qualified section members are allowed to skipper the yacht. Family members or friends are welcome to join as long as there is one qualified section member and a competent mate onboard.

Please visit our website (www.panagaclub.com/cruising) for upcoming sails, courses and membership subscription or email us at kbbcyachting@gmail.com for more information.
