 - Monthly fees for Group Lessons are charged every month, regardless of school holidays, breaks, etc. Full monthly fees are payable according to squad level, regardless of the number of lessons or training sessions that are attended.
 - Private lessons are billed per lesson; lessons will be billed regardless of attendance, unless prior agreement has been made. Lessons will not be billed during school holidays or if StingRays Swim Club cancels the lesson.
6. I understand that it is possible for me to enrol with both Group and Private lessons and that I will be billed accordingly. Being a member of a lesson does not preclude me from joining any of the other lesson types offered by StingRays. I also understand that I will be put onto the relevant waiting list and offered a place when one becomes available.
7. I understand that from time to time swimming lessons may be cancelled due to Public Holidays, the Coach's absence (swim meets, vacation, etc.), or due to pool closures. Swimming lessons generally run during Panaga School's term dates. Modified lesson schedules are generally offered during term breaks, these will be advertised on the Facebook and GroupSpaces pages.
8. I, or my nominated representative (excluding amahs), will be present within the enclosed pool deck area throughout my child's swimming lesson.

Should my child not attend classes on a regular basis, I understand that his/her spot may be offered to someone else on the waiting list. (Please also refer to Clause 4).
14. I understand that the Head Coach is busy during lesson times and therefore it is expected that parents do not talk to the Head Coach at length regarding their child's swimming. The Head Coach can be contacted out with lesson times and will be happy to discuss your child's progress alternatively you can contact the Registrar if you have a query regarding lesson time or level.
15. I understand that places will be offered by the Registrar or relevant committee member, changes to level may result in a change of time/day this will also be done by the Registrar or relevant committee member and you/your child will not be admitted to the new lesson time until this has been done in writing.
16. I understand that only those attending the lesson should be in the part of the pool where the lesson is being carried out. I also understand that it is not beneficial for me/my child to swim prior to the lesson taking place.

17. I understand that StingRays reserve the right to amend or change the fees or lessons times where appropriate.
