# Numeric Wireless Keypad

**USB, Wireless, 18 Full-Size Keys, Black**

Part No.: 178846

EAN-13: 0766623178846 | UPC: 766623178846

---

Fast, accurate numeric data entry combined with a convenient, mobile design.

Manhattan Numeric Wireless Keypad enhances any notebook computing experience, especially when inputting important numeric data. The full-size 18-key layout and membrane (full-travel) key-switch technology reduce typing noise, improve response and provide low-profile keystrokes for fast and accurate data entry. A handy backspace key allows swift corrections. Its USB Wireless Receiver connection, plug-and-play installation and ultra slim, lightweight construction make it easy to pack and travel.

**Features:**

- 18 full-size keys including backspace key
- 2.4GHz RF technology offers wireless freedom with effective range up to 10 m (33 ft.) with USB micro recevier
- Auto power management, hibernation mode, helps maintain proper battery levels; includes one AAA battery
- Membrane key switches reduce typing noise, improve response and provide low-profile keystrokes
- Ultra-slim and lightweight – ideal for notebook computer users
- Ergonomic design provides support for comfortable use and avoidance
