

SHALLOW DEPTH WALL CABINET

AMERICAN
MADE 

The Kendall Howard Shallow Depth Wall Mount Cabinets are the perfect solution for network and security installations of equipment at or under 16" deep. The Shallow Depth Line of Wall Mount cabinets provides a heightened level of security in a robust welded frame and is offered in three sizes (6U, 9U, & 12U). Keep your valuable networking and security equipment under lock and key in a Kendall Howard Shallow Depth Cabinet.

FEATURES

Solid, Secure Enclosure - Made of Cold Rolled Steel and has a welded frame. Solid side panel and a locking front door.

Cable Knockouts - Two Cable knockouts on top and two cable knockouts on the bottom panel.

Fan Knockout - Knockouts on top and bottom to accommodate a 120MM fan.

Adjustable Tapped Rails - 1 set of adjustable tapped rails. Adjust in 1" increments. Max Usable Depth, 16.82"
