

Twisted-Pair Feed-Through Adapter

251-DCM01-A1B DIN-Rail Feed-Through Adapter, Category 6A, STP, 35-mm, Grounding

CHARACTERISTICS

- Connector: feed-through adapter (socket- to-socket);
8P8C;
T568A/T568B.
- Transmission performance: category 6A per ANSI/TIA-568.2-D;
category 6A per ISO/IEC1801
- Screening: solid zinc alloy, "360°" coverage.
- Bonding/grounding: integral spring clip.
- Material: Polycarbonate (PC).
- Mounting: 35-mm DIN rail;
integral clip;
side-by-side stackable.
- Mating durability: Level 1, 750 mating cycles min.
- Environmental protection: IP20;
dust covers.
- Compliance: IEC/EN 60715;
DIN 43880;
IEEE 802.3bt (4PPoE).
- Dimensions: width: 18 mm (0.7 in) [1DU];
height: 35 mm (1.4 in);
depth: 26 mm (1.0 in).
