Product Specifications

Product Type: LED Cabinet Light

Lamp: 4W High Power LED

LED Quantity: 27

Lumens: 400

CCT: 6500K

Color Temperature: -25°C - 40°C

Power (Input): 100-240V AC

Power (Output): 12V DC 500mA 6W

Voltage: 24V

Rating: IP20

Body Material: Aluminum & PC

Dimensions: 16.8" x 0.9" x 0.83"

2 Position Switch: On / Motion Detection

Motion Detection Indicator Light: Yes

Motion Detection Light Time Frame On: 2 Min
(When Activated)

Indicator Light Color (When Activated): Green

Pivoting Magnetic Base: Yes

Power Supply: Dual Voltage with 5 ft Power Cord

Compliance & Standards: RoHS Compliant,
and Conforms to IP20 Standards

Quantity Per Package: 1 (Sold Individually)
