ESHV10

Single AV Wall Shelf
for AV Components

Peerless' versatile AV Wall Shelf provides a simple and aesthetically pleasing solution for placing home entertainment components under the mounted flat panel display. Able to support up to 30 pounds of weight while being mounted on a single stud, the shelf is immensely functional without sacrificing style. This AV Wall Shelf gives ample storage space in a stylish setting for a DVD/BluRay® player, Cable/Satellite box, game console or other equipment. Requiring a minimal amount of effort to assemble, this unit is easy to install and even easier on the eyes.

LB (KG) **Max load: 30lb (13.6kg)**

FEATURES

- Durable aluminum shelf can be adjusted to accommodate AV components of any height

- Cable management system helps keep cables concealed and organized

- Supports up to 30lb

- Bubble level makes for a quick and easy installation

BUBBLE LEVEL
For a quick and easy installation without the use of extra tools

CABLE MANAGEMENT
Keeps component cables concealed and organized
