

Vericom[®] SOHO / Remote Office Cabinets are specifically designed for small offices and remote locations where space is a premium. Fully assembled and ready to deploy, they include all the features of a full-size server cabinet, conveniently sized to fit under or on top of a desk or counter. With a maximum rail depth of 29.5", these cabinets are capable of storing servers, networking switches, and a variety of other security and AV equipment, while high-flow vented doors provide passive cooling to keep equipment from overheating.

Benefits

Security & Protection

- Locking door and side panels prevent unauthorized access to equipment
- Two sets of rails provide a stable mounting structure
- Doors and side panels are grounded to the cabinet frame

Flexibility

- Includes both casters and adjustable leveling feet for both fixed and mobile installations
- Multiple cable entry slots provide greater flexibility during installation
- Mounting rails are adjustable in 3/4" depth increments to match a variety of equipment sizes
- Front door, rear door and side panels are all removable for convenient access to equipment

High Capacity

- Available in three sizes to fit in a variety of environments where space is limited
- Deeper than a wall cabinet - 29.5" maximum rail depth can handle servers and other large equipment
- Robust design can support 1,500 lbs of equipment

Key Features

- Sized to fit under a desk or counter
- Server depth
- High-flow vented doors
- Locking doors and side panels

Removable panel in top for installation of optional fan unit for additional cooling

Side panels are lockable and removable for easy access to equipment

Vented front and rear doors swing open to 180 degrees and are lockable, removable and reversible

Top and bottom equipped with vents and cable access panels

Mounting rails, complete with 10-32 tapped holes and easy to read RU markings

Doors equipped with quick release hinge pins and ground wire

Product Dimensions

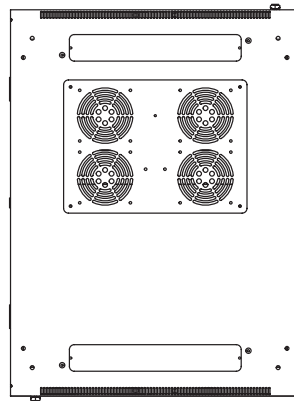

Item Number	Product Dimensions (H x W x D)	Rack Unit Quantity	Maximum Rail Depth	Static Load Capacity
RSH0808	22 in. x 23.625 in. x 31.5 in.	8U	29.5 in.	1,500 lbs.
RSH0812	29 in. x 23.625 in. x 31.5 in.	12U	29.5 in.	1,500 lbs.
RSH0824	50 in. x 23.625 in. x 31.5 in.	24U	29.5 in.	1,500 lbs.

Optional Accessories

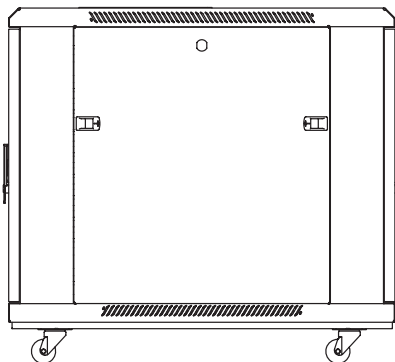

Item Number	Product Description	Item Compatibility
RAFNQ04	Top Mount Quad Fan	RSH0808, RSH0812, RSH0824
RATSS01	Solid Top Panel Insert	RSH0808, RSH0812, RSH0824
RARSC08	8U Cage Hole Rails (4 Pk)	RSH0808
RARSC12	12U Cage Hole Rails (4 Pk)	RSH0812
RARSC24	24U Cage Hole Rails (4 Pk)	RSH0824
