Installation Guide

TL-SMG-Series and TL-TI-Series
Snagless Mounting™ Grommet Insert Mounting

The TechLogix TL-SMG-Series and TL-TI-Series table inserts are designed for an extremely quick installation. Simply mount the table inserts in pre-cut holes sized from 57mm through 70mm (2.25 to 2.75 inches), and connect the table inserts to the source device using standard AV cables.
