

SunCatchers

1. Choose a table where the children play
2. The children choose their design
3. Use the deco paint to fill in the spaces
4. Allow to air dry - drying time will vary according to the temperature

IMPORTANT

* Make sure that the tube is squeezed softly. Don't overfill the spaces *

* Try to pull the lid straight off, twisting can break the nozzle *

*Always place the lid back on as it can become blocked. If this happen use a pin to unblock the nozzle *

Caution – While the paint is wet wash hands and equipment with soapy water. Suitable clothing should be worn as some staining may occur. Not to be consumed. Keep caps away from young children.

Supervise all children while doing this activity, recommended for ages 3 and up.
