## Carnevale & Amore

February. A month where we celebrate the food and people we love. Find everything you need to make the most of the month of amore and abundance at Valentina.

### Carnevale Italiano

We Italians love a party. Venice Carnevale remains one of the biggest festivals in our calendar, the city is packed with visitors for daily parades, food, drink and partying before it ends on **Martedì Grasso** (Shrove Tuesday!).

Figures in spectacular masks and costumes play out old stories and tales from our history and we celebrate abundance before lent begins.

#### Venice Carnevale

Saturday 27th January - Tuesday 13th February

For something more fruity, take a look at **Piedmont's Carnevale d'Ivrea** where revellers pelt each other with oranges. Or for something sweet from the south, the **Almond Blossom festival in Agrigento**, Sicily happens every February and gets us in the mood for Easter's finest Colomba.

### Carnevale at home?

#### Eat & drink like a Venetian

What to drink? **Aperol Spritz** (or Crodino for a 0% alternative)

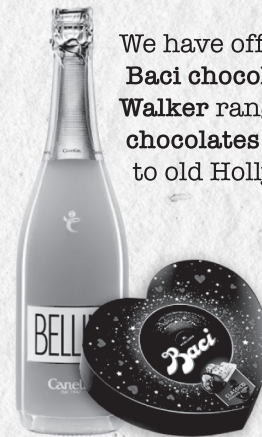

What to eat? **Cicchetti of course!** A selection of warm and cold tapas-style dishes with pasta Bigoli or Ravioli. For a true Venetian take, try frying ricotta ravioli for a savoury/sweet treat.

What to wear? Your boldest & brightest, just add paper confetti and playful masks for extra 'Teatro'!

### Valentines at Valentina

Food is our love language, which is why you'll find everything you need to say "**ti amo**" in our delis, restaurants and online.

We're launching our deli-ready **Spaghetti Polpette meatball recipe bundles** for £19.95 (feeds up to **4 people for only £4.95 each**), or flex your culinary skills with our classic Carbonara recipe - made just like our nonnas.

We have offers on **Canella Aperitivo Bellini & Baci chocolates**, 25% off our **Charbonnel & Walker** range plus **Prosecco & Sorini chocolates** in collector's edition tins with a nod to old Hollywood glamour.

### Weekends in our Delis

Each weekend through February, you'll find cheeses and wines to try from our 'undiscovered' collection - under the radar bottles that we think you need to know about!

Book your Valentines table with us for specials on the night and a chocolate rose on every table.
