OUR CHOCOLATE

100% Vegan and Organic, made with natural wholesome ingredients such as dried fruits and nuts.

SINGLE ORIGIN BEANS

Our beans come from one particular country/region.

Our single origin line only has two ingredients: Cocoa Beans and Sugar. We keep it simple to truly represent the natural flavors of each cocoa bean origin.

Our origins are: Brazil, Dominican Rep, Madagascar, Peru.

OUR CACAO

We only source the finest cacao varieties: Criollo and Trinitario (only approx 13% of the world's cacao production). Our cocoa beans are mindfully sourced from small, sustainable farms, driven by high quality and fair practices.
