We exhibited at Coffee Fest, NY, March 3-5, 2019 and met old friends and new. Here are some observations:

- 1. We were asked a few times if we had anything with CBD! Apparently, marijuana extract may be a thing in Tea in the near future!**
- 2. Coffee Shops & Restaurants were more easily receptive to changing over from teabags to loose leaf tea.**
- 3. Food Writers, Tea Bloggers and Tea Classes were definitely on the rise.**
