## 1-Gallon Iced Tea Bags Are Available!

Warm weather is almost here and that means Iced Tea. Try our no muss-no fuss 1-gallon bags. All you do is steep for 5-6 minutes and 16 cups/1 gallon of Iced Tea is ready for you to pour.

We have several flavors and they come by the pouch or case. A pouch has Ten 1-gallon teabags. A case has Fifty 1-gallon teabags. Do the math – that's 4 cents a cup if you order by the case! You can't go wrong.
