### Fit Hints:

**Consider sizing up:** if a garment is described as compressive, fitted, slim-fit, if the description encourages sizing up, or if you like a looser style.

**Consider sizing down:** if a garment is described as "boyfriend" fit, loose, oversized, or if you prefer a fitted look.

**Check the online fit hints.** Online descriptions list the model's weight, height and size to help you gauge how a garment may fit you. If a garment runs large or small, this will also be indicated in the description, near the fabric content.

**Capri & Crops:** these garments have a shorter inseam.
