

# G-13 GRIDDLE

G-13 GRIDDLE

Wells G-13 Griddle is ideal for any kitchen based on its versatile, easy-to-use design. In addition to the standard grill surface there are two options to choose from, grooved or chrome-plated. The two positive-off thermostats allow individual zone control. The oversized grease drawer is easily removable for cleaning.

## Features

- Each individual thermostat controls one-half of the cooking surface.
- Enclosed tubular elements are clamped onto the one-half inch thick griddle plate to provide even heat distribution over the entire surface.
- Removable splashguard makes clean-up easier.
- The removable front grease drawer has a four-quart capacity.
- Controls are front-mounted with a protective guard ring to help prevent accidental temperature changes.
- Each unit is provided with 4" adjustable legs.
- A terminal block is provided for field wiring connection to the main power supply.
- The G-13 Griddle is Underwriters Laboratories, Inc. LISTED and meets NSF International and Canadian standards.
- A one-year warranty against defects covers parts and labor.

## Specifications

Overall Dimensions:	Inches	MM
Width	24 13/16	630
