APPROACHING FROM THE SOUTHWEST (M4 or Bath)

Take the A46 and then the A433 towards Tetbury, passing the Westonbirt Arboretum and The Hare and Hounds Hotel on the left.

On nearing Doughton, pass a concealed entrance sign on the left-hand side.

A few metres after the 30 mph speed restriction sign, take the next small entrance on the left. Look out for a large terracotta pot and then keep left into the narrow walled lane leaving the low buildings called "Street Farm Workshops" and the terracotta pot to your

APPROACHING FROM TETBURY

From the centre of Tetbury turn southwards onto the A433, signed to Bath and Westonbirt, pass Tetbury Parish Church on your left and follow the road over a viaduct. After two miles enter the village of Doughton.

Continue past the large iron gates and the Police cones on your right to the point where the high wall finishes and the 30 mph speed restriction ends.

A few metres before the national speed limit signs (white circle with black diagonal stripe) turn right into the small entrance. Look out for a large terracotta pot and then keep left into the narrow walled lane leaving the low buildings called "Street Farm Workshops" and the terracotta pot to your right.

ALL TRAFFIC

Upon approach, you will see a large terracotta pot. Do not go right into Street Farm Workshops. Instead, keep left into the narrow walled lane.

After 100 metres stop at the police checkpoint for identification and vehicle checks. Please have your documentation ready for inspection.
