BERNAVÍ

## Garnatxa Negra Syrah Merlot

Vintage **2014**  
13,5% Alc. By Vol.  
Bottles of 750 ml

## THE WINE

*3 grapes, 3 wines, 3 personalities: the terroir expresses itself throughout the year and the fusion of three wines gives complexity respecting the originality. For every time... "la mischia gaia" of 3D3*

## WINEMAKING

*Harvested without a high concentration, the grapes are picked by hand in 15 kgs boxes and once in the winery are processed with different protocols respecting each grapes characteristic and vintage. Exclusive use of stainless steel vats, short macerations and temperature control. The soft pressing of the skins allows the use of fine lees to make the wines more elegant and help spontaneous malolactic fermentation. After a period of rigorous winter stabilisation and rest on the lees, we blend the three varieties and bottle the 3D3.*

## TASTING

*Ruby color with violet hues, offers aromatic highlights of red cherry and plum with a taste of balsamic and a touch of spice. First palate sensation confirms the character, where the structure with certain lactic notes marries a proper acidity and freshness not just enhancing alcoholic sensations. The taste is clean and persistent.*

## WE RECOMMEND

*The intense character and sustained freshness is ideal with pasta and rice. It complements aged cheese and red meat dishes. It does not require decanting.*
