

CAOBA

CHARDONNAY

We are a family that is deeply rooted in the winemaking industry with over 70 years' experience.

The use of grapes from wines grown on different soil, climates and regions in Mendoza, where winters are chilly, summers are dry and warm, nights are cool, soil are rich and melt water from the Andes is used for irrigating them, allows us to obtain a high quality product both in young wines and wines with aging potential
