## THE WINE

*A special selection of grapes, a wine dedicated to the first year of production of our winery BERNAVÍ. A tribute to the passion and courage. Limited edition*

## WINEMAKING

*Selected grapes of our property, harvested by hand. A selection fermented and macerated with consciousness to create an elegant red wine aged during 24 months in an oak barrel of 3000 litres. Not stabilized and left to rest in bottle.*

## TASTING

*Ruby color with violet hues, with medium intensity. Aromas of ripe dark red fruits, cherry, blackberry combine with spices, and hints of roasted Mediterranean brushwood. The entry is clean, elegant and soft; it reveals intensity and exceptional rounded tannins. Persistent and well balanced.*

## WE RECOMMEND

*A special wine for special moments, well married with meat, cured meats and mushrooms. We recommend open a few minutes before serving in large glasses.*
