Welschriesling 2022 – Greetings from National park

Batch: RV/2248

Our vineyards lie in the wine sub-region of Znojmo, South Moravia, Czech Republic, typical for its full-bodied and fresh wines.

The ideal natural and climatic conditions are due to many factors, one of which is the river Thaya, which with its thermoregulatory influence together with the cold winds from the Bohemian-Moravian Highlands gives the local wines an unmistakable spicy taste and fullness.

Sunny days alternate with cold nights in our vineyards. As a result, the grapes ripen more slowly, but retain their aromas and achieve high quality. Thanks to the granitic subsoil and loess with a mixture of calcareous clay are all our varieties particularly outstanding

Tasting notes: Wine has a light yellow color with light greenish reflections. The aroma is typically varietal, built on meadow flowers and green apple. The taste is moderately full and characterful. It is dominated by elements of citrus and light spiciness. Wine has a noticeable mineral finish.
