

I OWE YOU

My darling, I'm fairy sorry!

Your magic's on it's way.

I got caught up in a storm  
that threw me off today!

Fairyland is wild,

It rains the oddest things,

It's important to take cover

To preserve our fairy wings.

Yesterday it poured acorns,

Even bugs had to stay inside!

I promise I've got a gift you'll love

I say this with great pride!

Can't wait to see your new smile...

Your Magical Tooth Fairy
