1 Take this to your doctor

Take or email the first page to your doctor's office and ask for a prescription for POGO Automatic. You can also show it to them on your phone.

The doctor will use the document to make sure your prescription is written for a POGO Automatic monitor and cartridges.

@ Q

For the doctor:

This page is a helpful guide to prescribe a POGO Automatic monitor and 2 Tubes of cartridges for 100 tests for your patient. *Make sure to designate that POGO Automatic is "medically necessary" or check the "do not substitute" on the handwritten prescription.*

How to write an eRx:

a Type in "POGO Automatic." The POGO Automatic® Monitor and Cartridges will display in the drop-down menu.

Functionality varies by EHR system, but prescribers can often mark a product as a favorite or preference for easy entry with future patients.

- **b** Select "Each" in the Unit drop-down menu to order one tube of cartridges (50 tests). If "Each" is not an option, select the desired number of tests.
- If you want to ensure POGO Automatic is not switched at the pharmacy, consider checking the appropriate "Do Not Substitute" box

d This is a completed eRx order screen that's ready to send to the designated pharmacy.

Click "Send eRx."

Note for patients:

Your doctor will either send an electronic prescription to the pharmacy or give you a prescription to take to the pharmacy.

2 Take this to your pharmacy

Go to the pharmacy to pick up your POGO Automatic monitor and cartridges or to drop off the prescription from your doctor.

Make sure to take or show this second page to the pharmacist. The pharmacist will use the information below to make sure you get a **POGO Automatic** monitor at no cost and cartridges for no more than \$49.99 for up to 100 tests.

If POGO Automatic not in stock at the pharmacy, they can order it for you and it should arrive within 1-2 days.

For the pharmacy:

Use this information to get the POGO Automatic monitor and cartridge prescription for the patient. Please note the NDC, UPC and distributor information.
